

Thank you, Kim, for your impeccable taste

I called my brother, Joe, the week before my fiancé and I were to set sail and get married on the schooner Grace Bailey . I needed him to put me in contact with Kim, from Bellman's Portsmouth, to get a wedding ring. I live in Florida, so visiting Kim's boutique was impossible given my time line. Kim called me to find out what I had in mind for a wedding ring, and, knowing Kim's great eye for all things beautiful, I asked her to "just pick something". Five days after I spoke with Kim the ring arrived....actually, the perfect ring arrived and it fit perfectly! Thank you, Kim, for your impeccable taste and your attention to detail (you remembered my ring size)! I will always treasure the ring and the fond memories of the wedding. ~Audrey
